Notes about your order - anything else we should know?

--

You will only pay for videos that have content on them, if the tape is blank then we don't charge.

Copyright Waiver: I agree that all the media that I have brought or sent to be transferred by Daniel James Photography I have the relevant permission to have transferred and accept all legal liability.

Terms & Conditions: We will do everything in our power to make sure that your media is transferred safely but due to the age and nature of some media it can become fragile over time. We will inform you if we believe there is a chance it could get damaged in the transfer but we will not be held responsible or liable for any damage. By signing, I understand all of the above.
